

## **Ski Hill Development Coordinator needed!**

A part-time Development Coordinator is needed to help develop the local capacity to secure bond funding from the State for a new ski lift at the Plumas Eureka Ski Bowl. The Development Coordinator will work with the Board of Directors of Plumas Ski Club, the sponsoring organization, as well as the other organizations involved in the effort in order to define their financial and other contributions. Applicant must have significant winter sports involvement and familiarity with local government and non-profit organizations. Applicant must have strong leadership and organizational skills. Development Coordinator will nominally work for Plumas Corporation but will work directly with the variety of groups involved. Pay rate is competitive and dependent upon qualifications/experience. The position should last six months or longer and be for approximately 20 hours per week. Send resumes and a letter of interest to John Sheehan, Plumas Corporation, POB 3880, 550 Crescent, Quincy CA 95971, (530) 283-3739 by January 4, 2008. Plumas Corporation is an equal opportunity employer.
